Emma L. Adams

Celestial Magic Emma L. Adams, Devi is having the week from hell. Literally. Devi Lawson has a talent for breaking the rules. It's second only to her skill at hunting down demons -- too bad the angelic guild of celestial soldiers didn't appreciate her efforts. In fact, they kicked her out. And now she's being accused of murdering one of their own. To clear her name, she must work hand in hand with the demons she used to hunt, including the enigmatic warlock Nikolas Castor. Not only is his magic entirely too close to the killer she's pursuing, but he seems to think Devi is marked by a demon, too. Before long, Devi is neck-deep in trouble. Distrusted by her former allies and in serious danger of the real reason she left the guild making it into the light, Devi must catch the killer before he unleashes a literal hell on Earth. Faerie Blood Emma L. Adams, I'm Ivy Lane, and if I never see another faerie again, it'll be too soon. Twenty years after the faeries came and destroyed the world as we knew it, I use my specialist skills to keep rogue faeries in line and ensure humans and their magically gifted neighbours can coexist (relatively) peacefully. Nobody knows those skills came from the

darkest corner of Faerie itself. When a human child disappears, replaced with a faerie changeling, I have to choose between taking the safe road or exposing my own history with the faeries to the seductively dangerous head of the Mage Lords. He's the exact kind of distraction I don't need, but it's work with him or lose my chance to save the victims. It'll take all my skills to catch the kidnapppers and stop Faerie's dark denizens overrunning the city — but if the faerie lords find out about the magic I stole last time I went into their realm, running won't save me this time... Faerie Blood is the first book in the Changeling Chronicles urban fantasy series.
